Swoyambhu International College

2024 – 2028 (Expected) | Currently
in 2nd Year, 4th Semester

+2, Management with Computer Science

BlueBird Secondary School & College

GPA: 3.49

Secondary Education Examination (SEE)

AVM Higher Secondary School

GPA: 2.85

PROJECTS

Personal Portfolio Website

prashantshiwakoti.com.np | HTML, CSS, JavaScript, Supabase

- Developed and deployed a personal portfolio site on Netlify with a custom domain.
- Implemented Supabase-powered authentication with email verification and a full password reset flow.
- Built interactive UI elements including a toggleable skills section and animated visual components.

License Print Status Checker

prashantshiwakoti.com.np/license-checker | HTML, CSS, JavaScript

- Built a web tool that lets users check driving license print status across multiple distribution offices.
- Designed a simple search interface that looks up applicant records and displays a clear pickup status.

Login System

prashantshiwakoti.com.np/login | HTML, CSS, JavaScript, Supabase

- Built a secure login and sign-up system connected to a live Supabase database.
- Implemented email/password authentication with a forgot-password flow.

TECHNICAL SKILLS

- Languages: HTML, CSS, JavaScript
- Design: UI/UX Design in Figma
- Databases: MySQL, Supabase
- Tools & Platforms: Netlify, Git, VS Code
- Other: Video Editing
